

**REMARKS**

This is a supplemental amendment broadens the scope of claim 40 introduced in the amendment of October 16, 2007. Claims 1-8 and 31-41 are presented for examination. Applicant requests reexamination and reconsideration of application.

On page 9 of the Office action dated April 16, 2007, the examiner stated claims 3 and 6-7 would be allowable if rewritten in independent form.

The amendment of October 16, 2007 introduced new claim 40 (depending on new claim 39) to correspond to claim 6. However, claim 6 depends on claim 2 rather than claim 3, so the supplemental amendment now amends claim 40 to remove the limitations of claim 3. It is submitted that claims 39-41 now correspond to claims 3, 6, and 7.
